

WELCOME

TO THE 2nd INTERNATIONAL SMPOSIUM for

TOTAL ANKLE REPLACEMENT

15.-18.03.2017

Information

We are pleased to inform you about the **2nd International Symposium for TOTAL ANKLE REPLACEMENT** to be held from **15th to 18th of March 2017** at **Hotel Kaiser in Scheffau**, Tyrol, Austria.

Scientific management: **Univ. Doz. Dr. Ernst Orthner and Veronika Gattermayr.**

This will be an international workshop with intensive discussion of personal experience as well as failures where international experts will discuss with users and interested surgeons.

Main target of this intensive course is the presentation of the details of Total Ankle Replacement.

Looking forward to welcome you in Scheffau!
